RETRACTED: OPERATOR LIPSCHITZ ESTIMATE FUNCTIONS ON BANACH SPACES

J. SEMIGROUP THEORY APPL.

This article has been retracted due to an accusation of plagiarism. The Editor-in-Chief compared [1] with a previously published article "M. Haase, J. Rozendaal, Operator Lipschitz functions on Banach spaces, Stud. Math. 232 (2016), 57–92" and believes sufficient evidence exists to support this accusation. We apologize to the readers that this was not detected before publication.
